

2025 Desert Sky Archers Tournament Point Series

DSA is proud to announce we are continuing our tournament points series for 2025. All archers that enter the tournaments are eligible and automatically entered. There is no additional cost. Archers must stay in the same bow, gender, and age discipline in all tournaments. Some tournaments have combined ages/genders and bows. The registration for Vegas Vengeance is gender combined but it will be set up for you to select the division you will be shooting in the points series. If you skip the Vegas Vengeance, then it will be by the May Mayhem selection. By May Mayhem, you must have shot in one of the tournaments to be eligible. Tournaments that do not have age or gender separation do not impact this eligibility if you shoot the tournament. Please see the tournament list and dates below. For 2025, we will allow one drop, one (which would include the missed tournament if there was one) lowest tournament results are dropped. We are also implementing a points system to keep the competition tight through the entire year. Points system described below. Archers that decide to use a drop and shoot in another discipline remove their eligibility from points series (no trophy hunting). I.e., U18 Male Compound in the Vegas Vengeance selects U18 Male Recurve for May Mayhem, removes eligibility to compete in points series.

- Vegas Vengeance, your highest score is used for ranking All divisions offered, but gender combined. March 2, 2025
- May Mayhem complete tournament. All divisions offered. May 17-18, 2025
- Summer Sizzle complete tournament. All divisions offered. August 2-3, 2025.
- DSA Lucky Dog. Sept 27-28, 2025.
- Zombie Apocalypse. Complete tournament. All divisions offered. Nov 2, 2025.
- Candy Cane Crunch qualifying. U13 and U15 shoot in Youth; U18, U21 and archers 60+; Archers 22-59 years old by year of birth. December 19-21, 2025

Belt Buckles for top 3 in each division. Archers that shoot in all six tournaments receive a 5-point bonus.

Points are based on the following.

1st 15 Points + the number of archers competing in the tournament in their class and division.

2nd 12 Points + the number of archers competing in the tournament in their class and division.

3rd 10 Points + the number of archers competing in the tournament in their class and division.

4th 9 Points + the number of archers competing in the tournament in their class and division.

5th 8 Points + the number of archers competing in the tournament in their class and division.

6th 7 Points + the number of archers competing in the tournament in their class and division.
7th 6 Points + the number of archers competing in the tournament in their class and division.
8th 5 Points + the number of archers competing in the tournament in their class and division.
9th 4 Points + the number of archers competing in the tournament in their class and division.
10th 3 Points + the number of archers competing in the tournament in their class and division.
11th 2 Points + the number of archers competing in the tournament in their class and division.
12th + 1 Point + the number of archers competing in the tournament in their class and division.

If any one of the top three positions have a tie at the end of the Candy Cane Crunch, there will be a one arrow shoot off after the Candy Cane last qualifying round to select finish positions. If archer is not present at Candy Cane, then they lose the one arrow shoot off by default. If neither are present, it will be decided by a coin flip by a randomly selected individual.

Ties at any one tournament will share that position and its points. If two archers tie for second, they both receive 12 points +, the next archer will come in 4th.

Ties are based on World Archery or NFAA rules set forth at any event.

Divisions offered.

Compound, Recurve, Barebow and Fixed Pin.

All divisions are offered in all age groups. For 2025 there will be senior and masters Fixed Pin.
