**One thing synonymous with Phoenix is road construction. It never stops as we are always one of the fastest growing cities in the country. (water?). Usually the Thursday before the weekend, the three municipalities that impact the roads to the range publish a weekend road closure list.**

# **Ben Avery Shooting Facility is a huge place, where is the range?**

**Believe it or not, the building we shoot in does have an official address. You ready?**

**N Biscuit Flat Drive, 4040 W Black Canyon Blvd Phoenix, AZ 85086.**

**You can not plug that into your gps, sorry.**

**So here are some general directions.**

**We start from the Main entrance for Ben Avery on Carefree Hwy. (IT IS NOT THE ONE WITH THE STOP LIGHT)**

**If you are at the one with the stop light you are in the wrong place!!!!**

**Main entrance has no stoplight (yet). It is about 1/4 mile west of the Carefree Hwy and I-17 intersection. There is a big sign and American and Arizona Flags waiving. Turn North (toward the mountain). Follow the road through the white gate and the road with gradually turn west. You can see the building on your right as the road turns west. Make the first right you get to when you are heading west. We should have a sign there unless it gets stolen again. It looks like you are turning into a parking lot for a pistol range.**

**Make the next right, this is Biscuit Flat Drive. It is a dirt road. The building is on your right, beige metal building. Park and come on in. Do not use the Handicapped Parking spots unless you have a handicapped sticker or tag. Be on time or early.**
